Legacy competencies : Demonstrate technical capabilities in Microsoft products or technologies.

- Gold Cloud Platform
- Gold Cloud Productivity
- Gold Collaboration and Content
- Gold Application Integration
- Silver Project and Portfolio Management
- Silver Small and Midmarket Cloud Solutions

On October 3, 2022, the Microsoft Partner Network was renamed to the Microsoft Cloud Partner Program, silver and gold competencies were discontinued, and partners can now attain a Solutions Partner designation to showcase their technical capabilities and experience. For the purposes of in-progress Request For Proposal (RFP), this letter confirms that the partner named

above did hold legacy competencies listed above and is still able to receive the benefits associated with legacy competencies.
